

# HIDDEN CHIC VILLAS

## Arc en Ciel, Soufriere, St Lucia

Arc en Ciel is a wonderful property spectacularly situated on Beau Estate, above the Caribbean Sea and a short distance from Jalousie Beach and hotel. Soufriere, a sleepy fishing village, also has a drive in volcano, hot waterfalls, diving and snorkeling at Anse Castanet beach and an exotic tropical gardens and mineral baths at Diamond Estate.

The villa has been imaginatively designed to a very high standard, with hand made furniture from Honduras and select pieces from Tommy Bahama. The house incorporates many aspects of traditional Caribbean style with its pavilions connected by verandahs, jalousie shutters and wooden railings and sits in extensively landscaped gardens of tropical flowers and trees.

There are 5 double rooms; Bedroom 1 has queen bed with patio overlooking Petit Peton, and en suite glass walled bathroom. It also has a private swimming pool and sun deck in an enclosed private garden. Bedroom 2 and 3 have queen beds, private patio and en suite bathroom and jacuzzi. Bedrooms 4 and 5, which are situated downstairs and open onto the swimming pool deck, each have two single beds, a private patio and en suite bathroom with jacuzzi.

The living /dining room is comfortably furnished with TV, DVD and stereo. The formal dining room can seat 10. This room opens onto a patio with spectacular dining gazebo where guests can dine outdoors with the back drop of the Caribbean Sea and Petit Peton. A private chef is included for all meals 7 days a week.
