

# HIDDEN CHIC VILLAS

## Classic Balinese Estate, Bali, Indonesia

This Classic Balinese Estate has for many years been considered one of Bali's most luxurious villas available for rental accommodation. The estate features 5 bedrooms, a jacuzzi spa with an opium bed, large indoor and outdoor dining areas, beautifully landscaped gardens and ponds, a media room, and comes fully staffed with a personal chef.

With views overlooking terraced rice paddies, the position of the house enables one to enjoy the ocean breezes, as well as the famous Balinese sunsets. Within the gardens there is a temple, bale (traditional Balinese pavilion), sun beds, lotus ponds, 18-meter swimming pool, bar, and billiards room.

The house itself is positioned around gardens and ponds with rooms joined by canopied walkways. The upstairs master bedroom is reminiscent of colonial style, with a balcony and sitting area covered in creeping vines. With a total of 5 stylish bedrooms (equipped with TV & DVD player), each with its own en-suite open-air bathroom. The main large circular living room of this Classic Balinese Estate is the focal point of the entire house overlooking the rice fields beyond the gardens, lily ponds, and pool.

Both indoor and outdoor dining areas seat 12 to 14 people for all meals prepared by the chef for guests staying at the villa. There is an additional recreational area in the garden featuring a bar, billiards room, media room with a large TV, and an outdoor area for drinks.
