

HIDDEN CHIC VILLAS

Trulli Fra Gli Ulivi, Martina Franca, Puglia

Surrounded by over 20 acres of sunbaked olive groves and fruit orchards, Trulli Fra Gli Ulivi is a magnificent trulli complex that has recently been restored using ancient stone masonry techniques. Ideal for families and large groups of friends as the property sleeps up to 16 people in 8 separate bedrooms.

Immersed in nature, the trull has a gorgeous 18 x 7 metro heated swimming pool which incorporates a 4 metre children's dipping pool with gently shelving steps to one end. Lovely shaded dry stone walled terraces and patios with padded stone seats, sun loungers and umbrellas transform the garden and pool area into splendid open air lounges, creating an enchanting place to relax.

There are 4 bedrooms with double beds in the main trull building, 2 bedrooms and 1 bedroom with twin beds in the lamia and 1 bedroom with double bed in the viletta. In the main trulli is a large fully equipped modern kitchen with stone work tops, fully equipped for catering large groups. The main building also includes a spacious living/dining area with star shaped vaulted ceilings and stone fireplace.

Outside the kitchen, the terrace has an out door dining area and BBQ. The house is located in a quiet country lane that leads to Monte Trazzonara, so the area benefits from a gently breeze year round, making it a pleasant place to unwind, even in the hottest summer months. Set in the heart of Puglia, this is an ideal location to centre for sightseeing, historical visits and cycling...not to mention tasting the delicious food of the region.
