

HIDDEN CHIC VILLAS

Caille Blanc, Soufriere, St Lucia

Caille Blanc is a one of a kind private villa complete with 65 foot infinity pool and waterfall facing the majestic Pitons and Caribbean sea in St Lucia. this cliffside dwelling is located within a few minutes drive to the pristine Anse Chastanet Beach. Guests can soak in the view of the Pitons in the amazing infinity pool and gather to dine together on the spacious Pavilion courtyard or in the separate gourmet kitchen. Complimentary breakfast is prepared by skilled a St Lucian cook, with the option of having other meals prepared, as well. Staff includes daily cleaning, cooking and security.

Caille Blanc is the creation of the owner, a world class NY designer, who selected the finest materials, antiques and furnishings from Afghanistan, India, China, Japan and the USA. Local trees were forested for wall panelling and hand-cut stone facades come from local quarries. From the gated car park area, guests enter the Treetop Pavilion reception, the centre point of the Villa compound. It offers a shaded area for dining and relaxation by the pool

There are five sensational suites each with own bathroom, plus an additional bedroom with en suite bathroom. All bathrooms have granite countertops and premium fixtures. All bedrooms have AC, ceiling fans and mini bar. Each Suite is uniquely decorated with the upmost care and attention to detail. There are antique four poster beds, day beds, mosquito nets, hand-carved antique palace doors, decorative stone carvings, private living rooms and areas to relax in private, or on one of the patios watching the sun set over the Caribbean sea, sipping a cocktail. The ultimate in Island Chic.
