

HIDDEN CHIC VILLAS

Casa de la Paz, Punta Mita, Mexico

Escape and indulge at Casa de la Paz, a 5 bedroom luxury villa only 45 mins from Puerto Vallarta airport, in exclusive Punta Mita. Set on the famed Jack Nicklaus golf course in the ultra exclusive Four Seasons community, Casa de la Paz provides guests with both a coveted location and a private ocean front setting.

Built in a contemporary tropical "Palapa style" with modern Balinese influences using natural and organic materials, this 10,000 sq ft villa integrates the natural beauty of Punta Mita with its airy, flowing open plan, natural rocks, fountains, interior patios and infinity pool. Whether relaxing in one of the 5 master suites, lounging in the cabana overlooking the bay, swimming laps in the salt water pool or sipping a cocktail in the spacious thatched living room, the peace and serenity of this exotic villa will captivate the most well seasoned traveller.

There are 4 Master suites with en suite bathrooms and marble Jacuzzi bathtubs opening to lush landscaping and inside outside showers. (3 kings and 1 with two double beds). The guesthouse has queen size bed with en suite bathroom, kitchen and plasma TV. All have luxurious 1000 thread bed linens. A sunken Media room with built in sofas provides a cosy place to watch one of the 850 videos provided on the extra large TV screen with surround sound.

Fully staffed to provide concierge advice and pamper, including private chef to prepare all meals, this villa is the perfect getaway.
