

HIDDEN CHIC VILLAS

Silver Lodge, Aspen, Colorado

Silver Lodge is a most luxurious 6 bedroom house situated at the base of Red Mountain, only 15 minutes walk from the centre of town. It has a large patio with a 6 person jacuzzi and outdoor seating with the most wonderful unobstructed views of Ajax mountain. Close to the Jerome Hotel, hiking trails and the ski lifts of Ajax Mountain, this lodge is centrally situated for both summer and winter vacations.

The house has 6 bedrooms in total - 4 downstairs all with en suite bathrooms and 2 upstairs- the master and another which share the master bathroom. Upstairs is ideal for a couple with a young child that needs to be close to them. Luxury linens, comforters and towels are supplied in all bedrooms and bathrooms. There are fireplaces throughout the house in many of the rooms as well as the master bedroom and bathroom.

The large sitting room has huge wooden beams, a high arched ceiling and many windows highlighting the spectacular view of Ajax Mountain. Comfortable sofas, chairs and fur furnishings make this a cosy room to entertain and relax at the end of the day. Adjacent is an open plan chefs kitchen equipped with all utilities for making gourmet meals. A TV den complete with DVD player and cable TV makes a great place for children and teenagers to hang out.

Thoroughly luxurious, Silver Lodge is one of the most sought after houses to rent in Aspen. Available year round.
